

Regulation Compliance Statement

Meggitt (Orange County), Inc. FSCM 95411

REACH

The Meggitt Products (accelerometers, cable and electronics) are articles as provided to our customers. These articles are not considered substances or preparations and do not involve the intentional release of substances during normal use in accordance with Manufacturer's instructions provided. Accordingly these articles do not require registration or pre-registration in accordance with EC REACH regulation 1907/2006/EC.

To the best of our knowledge, with annual review and product verification to the current European Chemicals Agency (ECHA) candidate list of Substances of Very High Concern (SVHC), the Meggitt Products do not contain SVHC's in excess of 0.1% of weight.

Meggitt (Orange County), Inc. declares that the products manufactured are compliant with EC-Regulation No. 1907/2006 (REACH). Products compliant with 2011/65/EC (RoHS) and 2015/863 (RoHS 3) have their own Declaration of Conformity form (DoC).
