

# AIRBUS A320 CEO

## Keeping our customers Airborne for longer

### Heat Exchangers

- Oil Fuel Heat Exchanger
- Servo Fuel heater
- Buffer Oil Cooler
- Fuel Cooled Oil Cooler

### Power & Motion

- Integrated Drive Generator (IDG)
- Motor
- Reversible DC Motor
- Alternator
- Resolver
- Linear Variometer
- Rotary Variable Differential Transducer
- Rotor Finition
- Stator Finition
- Generator Control unit
- Sensor Box

### Flow Control

- Solenoid Valve HP7
- Solenoid Valve HP10
- Bleed Valve
- Cabin Air Solenoid Valve
- High Pressure Turbine Clearance Valve

### Sensing & Monitoring

- Accelerometer
- Engine Vibration Monitoring Unit
- Oil Quantity Transmitter
- Proximity Sensor
- Cable Assembly

### Fire & Safety

- Fire Extinguisher
- Pressure Gauge
- Restraint System (Flight Deck Seat Belt)
- Travel Limitation Unit
