

AIRBUS A330 (CEO)

Keeping our customers Airborne for longer

Braking Systems

- Main Axle Sleeve
- Hub Cap Kit
- Tyre Pressure Indicator and hub cap kit
- Brake Assembly
- Main Wheel Assembly

Thermal Solutions

- Servo Fuel Heater
- Buffer Air Cooler
- Engine and IDG Fuel/Oil Heat Exchanger
- Air Cooled Oil Cooler

Fire & Safety

- Fire Extinguisher
- Fire/Overheat Detector
- Front Air Overheat Detector

Sensing Solutions

- Vibration Transducer
- Accelerometer
- Engine Vibration Monitoring Unit
- Engine Vibration Accelerometer harness
- Remote Charge Converter
- Engine Interface and Vibration Monitoring Unit
- Oil Pressure Transmitter
- Fuel Pressure Transmitter
- Cable Assembly
- T25 Thermocouple
- T30 Thermocouple

Flow Control

- Cabin Air Non Return Valve
- High Pressure Bleed Valve
- Intermediate Pressure Bleed Valve
- Valves Unit-Servo Air-Solenoid Operated
- Tube Assembly
- Rotor Active Clearance Control Valve
