

BOEING B737 MAX

Keeping our customers Airborne for longer

Fire & Safety

- APU Fire Extinguisher
- Engine Fire Extinguisher
- Fire Detector APU
- Fire Detection Control Unit
- Fire/Overheat Detector Assembly
- Cartridge

Flow Control

- Modulated Turbine Cooling Valve

Thermal Solutions

- Main Heat Exchanger
- Servo Fuel Heater
- Double Check Tee

Sensing Solutions

- Accelerometer No 1 Bearing
- Accelerometer TCF
- Oil Level sensor
- T48 EGT Sensor Harness
- N1 Speed Sensor
- N2 Speed Sensor
- T48 EGT Sensor

Power & Motion

- Transformer-Rectifier Power supply
- Variable Power Transformer
