

BOEING B737 NG

Keeping our customers Airborne for longer

Thermal Solutions

- Oil Fuel Heat Exchanger
- Servo Fuel Heater
- IDG Oil Cooler

Flow Control

- Transient Bleed Valve

Fire & Safety

- Dual Detector Assembly Core
- Dual Detector Assembly Fan Upper
- Fire Extinguisher
- Double Check Tee
- Fire Detection Control Module
- Fire Overheat Detector
- Dual Detector Assembly Propulsion

Sensing Solutions

- Accelerometer No 1
- Forward Facing Crew Cockpit Vibration Sensor
- Engine Vibration Monitor
- Microtrac II Digital Tracking Filter

Avionics

- Electronic Clock
