

BOEING B777

Keeping our customers Airborne for longer

Thermal Systems

- Servo Fuel Heater
- Buffer Air Cooler
- Engine IDG Fuel/Oil Heat Exchanger
- IDG Air Cooled Oil Cooler

Flow Control

- HP Bleed Valve
- Intermediate Pressure Bleed Valve
- Valves Unit-Servo Air-Solenoid Operator
- Solenoid Valve
- IP Bleed Valve
- Hand Operated Shutoff Valve
- FCAC Shutoff Valve

Sensing & Control

- Accelerometer
- Engine Vibration Accelerometer
- Engine Vibration Monitor Unit
- Three Way Junction Box
- Cable Assembly
- Hydraulic Quantity Transmitter

Fire & Safety

- Flight Lock Actuator
- Cargo Smoke Detection Controller
- Smoke Detector
