

Airborne video cameras

Business aviation

Key features

- Aerodynamic designs
- Fully integrated—no remote units
- NTSC video

Applications

- Inflight entertainment
- Safety and situational awareness
- Interfaces with a Securaplane aircraft security system to confirm detected intrusions

Why our video camera systems are on nearly every corporate and VIP aircraft model

- › We cover everything from in-flight entertainment to safety and security
- › Our designs are clean and aerodynamic
- › Our line replaceable units are lightweight and low-profile
- › Our optics and imagers are state-of-the-art
- › ARINC 628 compliant, STC'd and DO-160-qualified, our products have gone on to demonstrate maximum reliability in the field

Securaplane

Our product competencies and services:
Aircraft security systems | Airborne video cameras | Aircraft batteries | Battery chargers | Inverters | Converters | Wireless integration

Airborne video cameras

Business aviation

CMZ-03 glareshield zoom camera

- Stand-alone glare shield camera
- 40x telephoto zoom
- Direct keyline and digital bus control
- +28 VDC or +12 VDC power
- Mounting plate available

Description	Part number
CMZ-03 camera	100-1108-01
Mounting plate	160-1526-01

CMX series single cameras

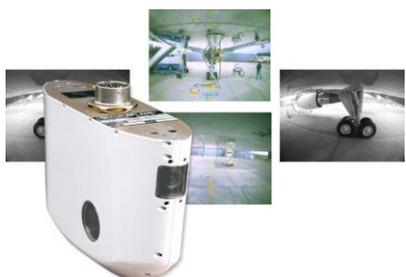

- Aerodynamic design
- Belly and fin mountable versions available
- Mounting adapters available for many applications

Description	Part number
Vertical fin	100-1054-xx
Belly mount	100-1056-xx

Installation adapters:

Falcon 50/900/2000/7X	Boeing 737/BBJ
Global Express	Boeing 747/757/767/777
Challenger 600	G- IVN/350/450/500/550

CAM series multi- cameras

- 4-camera belly-mountable unit
- Typical installation—CAM-14 unit with four color cameras
- Safety, security and entertainment
- Available in color cameras and low-light monochrome versions

Description	Part number
CAM-14 (4 color cameras)	100-1078-xx
CAM-11 (2 color cameras, 2 mono)	100-1051-xx
CAM-10 (4 mono cameras)	100-1007-xx

CMZ-01 down zoom camera

- Belly-mountable
- 72X Zoom
- Available with internal or external mounting plates

Description	Part number
Internal mount	100-1053-01
External mount	100-1053-02
