

## Investment scams are designed to look like genuine investments

### Spot the warning signs

Have you been:

- contacted out of the blue
- promised tempting returns and told the investment is safe
- called repeatedly, or
- told the offer is only available for a limited time?

If so, you might have been contacted by fraudsters.

## Avoid investment fraud

- 1 Reject cold calls**  
If you've received unsolicited contact about an investment opportunity, chances are it's a high risk investment or a scam. You should treat the call with extreme caution. The safest thing to do is to hang up.
- 2 Check the FCA Warning List**  
The FCA Warning List is a list of firms and individuals we know are operating without our authorisation.
- 3 Get impartial advice**  
Think about getting impartial financial advice before you hand over any money. Seek advice from someone unconnected to the firm that has approached you.

## Report a scam

If you suspect that you have been approached by fraudsters please tell the FCA using the reporting form at **[www.fca.org.uk/consumers](http://www.fca.org.uk/consumers)**. You can also call the FCA Consumer Helpline on **0800 111 6768**

If you have lost money to investment fraud, you should report it to Action Fraud on 0300 123 2040 or online at [www.actionfraud.police.uk](http://www.actionfraud.police.uk)
